## THE BOATS

Your trip will be on one of two boats, the original 27' Sportcraft Coastal Fisherman or the 27' Tiara Pursuit. Both boats are safe and roomy, equipped with the latest in electronics and communications to help find the bite!

The original Trophy Taker is powered by an inboard 350 cubic inch Mercruiser. This superb engine is renown in the boating world for its power and reliability. Both boats are equipped with an auto pilot - allowing the customer maximum time at the stern of the boat catching fish and assisting the guide. Both boats are also equipped with an onboard restroom facility. These boats are made for fishing and allow your group ample room to socialize or land fish throughout the day.

Trophy Taker charters comply with all the fishing, safety and nautical requirements set by Transport Canada.
